# Glories of Building a Temple

***Our scriptures describe the glories of building a temple for Lord Vishnu***

## **Narsingha Purana**

**On building a temple of Sri Madhava, one can attain the eternal Vaikuntha-loka.**

## **Skanda Purana**

**Just by starting the construction of a temple for Lord Krishna, sins committed in seven births will be wiped out, and one will deliver his forefathers who are suffering in the hellish planets.**

## **Vishnu Dharmottara**

**A person who builds a temple of Sri Vishnu will get the same result as performing the Rajasuya yajna**

## **Srimad Bhagavatam**

**By installing the Deity of the Lord, one becomes king of the entire earth, by building a temple for the Lord, one becomes ruler of the three worlds, by worshipping and serving the Deity, one goes to the planet of Lord Brahma and by performing all three of these activities, one achieves a transcendental form like My own.**

## **Vamana Purana**

**Whoever constructs or helps to construct a Vishnu temple will protect eight generations of fathers, grandfathers and forefathers from falling into hell.**
